## Two ways to provide banking information

### 1. Provide an image of a void cheque

### 2. Log in to online banking

Most banks provide a way to download a pdf or an image of a void cheque (even if you do not have cheques). The cheque image provides the required institution/branch/account information.

## Giving as an Act of Worship

- Direct tithing is an excellent way to give your first fruits to God in a convenient and practical way.

## What is Direct Tithing?

- Direct tithing is a pre-authorized and recurring transfer of funds from your bank account to the church account.

## Benefits of Direct Tithing

- **Minimizes the workload of our bookkeeper.** 😊
- **Cost effective:** 100% of the donation goes to NSC (donations through Canada Helps have a service fee).
- **Secure:** Your personal giving information is only handled once, reducing the chance of errors.
- **Convenient:** Direct tithing provides a consistent and regular method of giving even during periods where you are unable to physically attend church.
- **Stability of Church Finances:** Direct tithing provides the church with a predictable revenue stream that helps with budgeting.

## Other ways to give

- **Online Banking:**  
(Access Credit Union accounts only)  
Set up a bill payment with Nassau Street Church as your “payee” option.
- **Post-Dated Cheques**  
Use a cheque from your chequing account. You can order cheques from your bank or order from Staples.ca (\$42 for 80) or asapchecks.com (ships in 2 days for about \$30 for 150 cheques - look for business checks when you order).
- **Offering box at church**
- Send an e-transfer to [giving@nassaustreetchurch.com](mailto:giving@nassaustreetchurch.com).
